CS-C1000 Course Essay Grading

You can access your assigned essays from Wednesday 14th April via the Turnitin system under *Assignments — Course Essay Submission.* You will have 2 essays to grade.

The following criteria should be used as a guide for grading your assigned essays. Give a score between 1-4 for each criteria. You must also provide some brief comments / feedback to justify the scores (please be considerate of the recipient when writing your comments).

Criteria	Score			
	4	**3**	**2**	**1**
Relevance	Directly relates to the course content, specifically referencing ideas from the lectures.	Related to the course content but doesn't reference specific ideas from lectures.	Somewhat related to the course content.	Not relevant to the course content.
Novelty	Very interesting and novel ideas.	Interesting ideas, but they are not particularly novel (i.e., they have been discussed a lot previously).	The content is somewhat interesting / novel.	The content is not novel or interesting.
Writing style / clarity	Was a pleasure to read. The author got their ideas across clearly and informatively.	Clear, informative writing, but not very enticing for the reader.	There were parts that were difficult to follow / not well written.	The entire essay was difficult to follow / poorly written.
